Our networks in France

Crédit Agricole Group ranks n° 1 in France for retail banking and is the leading financial partner to the French economy.

It serves a vast array of businesses:

- from startups to multinationals, domestic and foreign,
- almost one in two French companies is a client,
- all banking products and specialized business lines are available: leasing, factoring, insurance, asset management, consumer finance, etc.

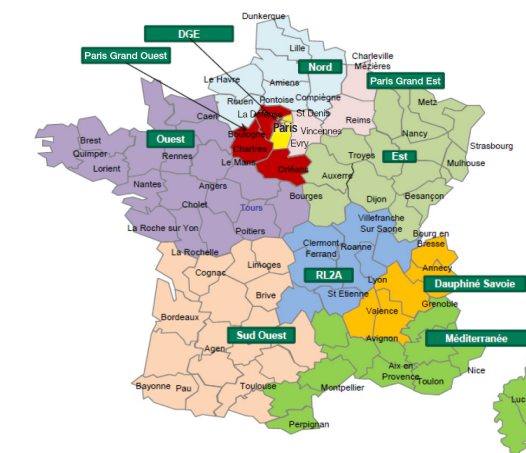

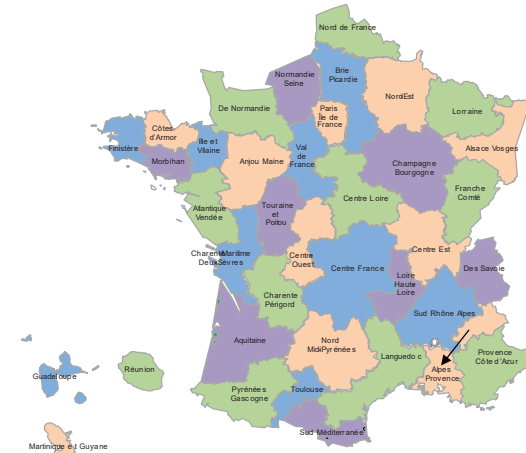

CA Group branch footprint in France is represented by two brands:

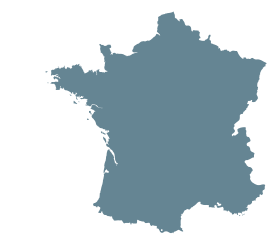

- 39 Regional Banks
- More than 7,000 branches
- 21 million personal clients
- 55,000 business and corporate clients

- 10 Regional Offices
- More than 2,000 branches
- 6 million personal clients
- 29,100 business and corporate clients

How do we serve SMEs and Mid-caps

Abroad: our international desks offer clients tailored assistance in more than 90 countries either via Crédit Agricole Group own network or via partner banks.
