

CRÉDIT AGRICOLE CIB LONDON ENGLISH BRANCH TERMS OF BUSINESS

1 Applicability, commencement and relationship to other terms of business

- 1.1 Subject to clause 2 (*Relationship with Client Documents*) below, these terms and conditions (as amended, restated, varied or modified from time to time) (the “**Terms**”) apply only to Services and/or Transactions which are provided or entered into by the UK establishment of Crédit Agricole Corporate and Investment Bank (“**we**”, “**us**”, “**our**” or “**Crédit Agricole CIB London**”) with you (“**you**”, “**your**” or the “**Client**”), in your capacity as a Professional Client or Eligible Counterparty.
- 1.2 The Terms supersede any previous general terms of business which may be in force between you and us (including any terms of business received by us from you, unless expressly agreed by us in writing). From and including 3 January 2018, by accepting Services, entering into Transactions or otherwise conducting business with us relating to the Services and/or Transactions, this will be construed by us as your agreement to these Terms. Subject to clause 2 (*Relationship with Client Documents*), the Terms shall prevail at all times over any terms of business issued by you to us, unless such terms of business have been expressly accepted by us in writing.
- 1.3 These Terms form part of the MIFID communication to Clients and may be accompanied by certain disclosures which we are required to provide to you in accordance with Applicable Law and which may be set out in the MIFID communication to Clients.

2 Relationship with Client Documents

- 2.1 Any Client Documents in respect of any Service or Transaction provided by us will govern the relationship between us and you in relation to that Service or Transaction. Such Client Documents will prevail over these Terms if any provisions of those Client Documents conflict with or address the same subject matter as these Terms, and shall prevail over your standard terms if we have agreed to carry on business with you on the basis of your standard terms. Any right or obligation arising under the Terms will not affect, interfere with or otherwise detract from the terms of the Client Documents governing the same subject matter. For the avoidance of doubt, the Terms shall be applicable in relation to matters not governed by the Client Documents;
- 2.2 If we have expressly agreed to any standard terms of business that you may have provided to us, those shall prevail over these Terms, provided that (1) your standard terms of business shall not apply to any Transaction or Service in relation to which we have provided Client Documents, in which case such transaction or service will be governed by our Client Documents; (2) to the extent that your standard terms do not address any subject matter addressed in these Terms, these Terms shall apply; and (3) in circumstances where we have agreed to carry on business in accordance with your standard terms, you expressly agree that your standard terms will be deemed to include a clause having the same effect as this clause 2.

3 Construction and interpretation

- 3.1 **Definitions.** The terms defined in Schedule 1 (*Definitions*) and elsewhere in the Terms will have the meanings therein specified for the purpose of the Terms.
- 3.2 **Schedule (Definitions).** Schedule 1 supplements and forms part of the Terms.
- 3.3 Unless the context otherwise requires, in the Terms the singular includes the plural and expressions used in the Terms which appear in the Handbook have the same meaning as they do in the Handbook, whether or not they are capitalised or separately defined.
- 3.4 References to a 'person' includes a natural person, corporate or unincorporated body (whether or not having separate legal personality) and that person's legal and personal representatives, successors or permitted assigns.
- 3.5 The words 'including' or 'include' are deemed to have the words “without limitation” immediately following them.
- 3.6 If there is any conflict or inconsistency between the Terms and mandatory provisions of Applicable Law, such mandatory provisions of Applicable Law shall prevail.

6 Complaints

With respect to the Services, we operate a policy on the handling and record keeping of complaints from eligible complainants in accordance with the Handbook (DISP 2.7) <https://www.handbook.fca.org.uk/>. However, we do not regard you as one of those classes of person that fall into the category of eligible complainants. You should inform us in writing immediately if you believe that this is incorrect.

7 Your capacity and status

- 7.1 We will treat you in accordance with the categorisation attributed to you in the Notification Letter.

- 7.3 If there are any circumstances in which you act as agent of, or trustee for, any person(s) (each a "**Disclosed Principal**"), you hereby agree prior to the provision of any Services for the benefit of such Disclosed Principal(s) to inform us of the identity of such person(s), along with any particular requirements that you may have when transacting on behalf of such person(s). This will not relieve you from any responsibilities or liability you may have in relation to the Transaction. However, we may agree in writing to transact with you in your capacity as agent for any such Disclosed Principal(s) at our absolute discretion in accordance with clause 7.4 below.
- 7.4 Notwithstanding clause 7.3 above, where we agree to transact with you in your capacity as agent for any Disclosed Principal, these Terms will take effect as a separate agreement between us and the Disclosed Principal, separate from the agreement between you and us and between us and any other Disclosed Principal. Neither you nor any other Disclosed Principal will be liable as principal or surety for

the performance of any Transaction entered into on behalf of any Disclosed Principal by virtue of these Terms, provided that this will not relieve you from any responsibilities or liabilities you may have in your capacity as agent for any Disclosed Principal. This shall apply whether the Disclosed Principals have a separate legal personality from one another or whether, under the constitutional structure adopted by the Disclosed Principals (e.g. an umbrella fund, a fund or a sub-fund), recourse to a Disclosed Principal and its assets is limited to Transactions entered into on behalf of that Disclosed Principal.

Accordingly, we may from time to time exercise or enforce all or any of our powers, rights or remedies under these Terms against all or any account holders at our absolute discretion.

- 8.1 All communications between you and Crédit Agricole CIB London may be monitored and/or stored by us in accordance with our relevant policies, including the provisions of clause 33 (*Use of personal data*) hereof and to the extent permitted by Applicable Law. You consent to the recording of telephone conversations and other communications between us and you and authorise us to use voice recording systems in connection with communications with you. You agree to obtain any relevant consent of (and give any necessary notice of such recording to) your relevant personnel. Such voice recording systems may not use any warning tone. Any voice recording made by our voice recording systems belongs to us and constitutes conclusive evidence of the communication so recorded, in any dispute or other proceedings in relation to these Terms or any Transaction or Service, including, without limitation, in relation to any enquiry by any competent authority. You agree that we may deliver copies or transcripts of voice recordings to any third party where required or permitted under Applicable Law.
- 8.2 We may amend the Order Execution Policy (as well as other applicable policies) and the Terms from time to time. We shall notify you of any material changes. Where we do notify you, all such amendments will become effective and binding on you ten (10) Business Days after being notified to you or as otherwise specified in the notice (the "**Effective Date**"). For the avoidance of doubt, no amendments to the Terms will affect any Service or Transaction or any legal rights or obligations which may already have arisen before the Effective Date.
- 8.3 Current versions of the Order Execution Policy and the Terms are available on our Website.
- 8.4 Crédit Agricole CIB London may suspend the Website without notice where it considers it necessary to do so, in its sole discretion.

- 9.2 Notices under the Terms must be delivered personally or sent by registered post. Notices sent pursuant to the Terms will be deemed received by the receiving party:
- (i) if personally delivered, upon delivery to the party's registered office;
 - (ii) if sent by registered post to an address in the United Kingdom, two (2) Business Days after posting; or
 - (iii) if sent by registered post to an address outside the United Kingdom, five (5) Business Days after posting.
- 9.3 If you do not have a permanent place of business in England or Wales, you agree to accept service of process in any location in which you transact business in England or Wales and you waive any defences or challenges to such service of process. This does not affect our right to serve process in any other manner permitted by law.

10 Transaction reporting and post-trade transparency

- 10.1 To the extent that you are an investment firm or a credit institution providing investment services and/or performing investment activities and that you are not a systematic internaliser, we intend to make public,

acting in the capacity as a systematic internaliser, through an Approved Publication Arrangement, the post-trade information with respect to all Transactions.

Otherwise, you acknowledge and agree that you will be responsible for complying with Applicable Law for the purpose of transaction reporting and post-trade transparency in relation to your own obligations to report (and, except to the extent required by Applicable Law or otherwise agreed by us in writing with you, we shall have no responsibility to inform you of such requirements or otherwise assist you in complying with them). We have, however, procedures in place to comply with Crédit Agricole CIB London's obligations under Applicable Law in respect of transaction reporting and/or post-trade transparency.

- 10.2 With respect to all package transactions, unless you expressly agree otherwise, we intend to make public, through an Approved Publication Arrangement, the post-trade information. The package transactions will be determined at our sole discretion and on a case-by-case basis.

11 Dealer or signatory mandates

Unless we expressly agree to do so in writing, Crédit Agricole CIB London shall have no responsibility or liability to verify the identity of individuals or signatures against lists of authorised signatories, authorised dealers or officers authorised to enter into Transactions or verify that Instructions comply with any of your internal limits, restrictions or other conditions or requirements ("**Mandates**") and all such Mandates received by Crédit Agricole CIB London shall not impose any obligations, restrictions or liabilities on Crédit Agricole CIB London.

12 Order execution

- 12.1 If you are a Professional Client, you hereby consent to us executing your orders in accordance with the Order Execution Policy, that will be made available on the Website. The Order Execution Policy does not apply to our dealings with Eligible Counterparties.
- 12.2 We shall use our reasonable endeavours to execute any Order promptly, but in accepting an Order we do not represent or warrant that it will be possible to execute such Order or that execution will be possible according to your Instructions. We shall carry out an order on your behalf only when the relevant market is open for dealings, and we shall deal with any Instructions received outside market hours as soon as possible when that relevant market is next open for business (in accordance with the rules of that market).
- 12.3 We may, at any time, suspend or impose limits on the size or nature of Orders that we may accept.
- 12.4 If acting in the capacity as a systematic internaliser in bonds, structured finance products, emission allowances or derivatives traded on a regulated market, multilateral trading facility or organised trading facility, we will make public firm quotes in accordance with Article 18(1) MiFIR and, where we give you access to these quotes, you agree that we may limit: (i) the number of Transactions that we undertake to enter into with you at the published quote; and (ii) the total number of Transactions that we undertake to enter into with other clients at the published quote. Where we grant access to quotes provided by us if acting in the capacity as a systematic internaliser, and the quoted size is at or below the size specific to the financial instrument, we may enter into a Transaction with any other client to whom the quote is made available, in accordance with Article 18(5) MiFIR.
- 12.5 If acting in the capacity as a systematic internaliser and dealing in sizes above the standard size in shares, depositary receipts, exchange-traded funds, certificates or other similar financial instruments traded on a regulated market, multilateral trading facility or organised trading facility we will make public firm quotes in accordance with Articles 14(1) and 15(1) MiFIR and, where we give you access to these quotes:
- (i) except as otherwise permitted by Applicable Law and subject to paragraph (ii) below, we will execute the orders we receive from you at the quoted prices at the time of reception of the order; and
 - (ii) you agree that we may limit: (a) the number of Transactions that we undertake to enter into with you at the published quote; and (b) the total number of Transactions that we undertake to enter into with other clients at the published quote.

12.6 Where we grant access to such quotes provided by us if acting in the capacity as a systematic internaliser, we may enter into a Transaction with any other client to whom the quote is made available, in accordance with Article 15 MiFIR.

13 Order aggregation

To the extent permitted by Applicable Law, we may combine your Order with our own orders or those of any Crédit Agricole Group entities and orders of other clients when (a) we reasonably believe that we will obtain the same or a more favourable price than if your Order had been executed separately, and (b) it is unlikely that the aggregation of your Orders with the orders of other clients will work overall to the disadvantage of any client whose order is to be aggregated. Our Order Execution Policy that will be made available will provide for the fair allocation of aggregated orders and transactions, including how volume and price of orders determines allocation and the treatment of partial executions. Aggregation may result in your obtaining on some occasions a more favourable price and on others a less favourable price than if your Order had been executed separately. For you and each client whose order is to be aggregated, the effect of aggregation may work to your/its disadvantage in relation to a particular order.

14 The Services

14.1 Crédit Agricole CIB London may, but is not obliged by anything in the Terms:

- (i) provide any Services at our discretion and subject to further documentation as we consider appropriate;
- (ii) deal with you on our own account or as agent for you or a combination of the two;
- (iii) do whatever we consider necessary or desirable or incidental to dealing with you and/or providing the Services to you;
- (iv) delegate the performance of any Service or activity to an associated company or such other person or persons as we think fit, including but not limited to, entering into arrangements with clearing brokers or members of an exchange; or
- (v) introduce you to such other person(s) as we consider in our discretion is necessary or desirable to perform certain Services or parts thereof.

14.2 Unless you otherwise notified us in writing, we shall provide the Services on the basis that there will be no restrictions on the type of investment or markets on which you wish your Transactions to be executed.

14.3 In providing the Services, and unless expressly agreed otherwise in writing between us on a case by case basis, we will assume that you have the necessary expertise and experience to determine whether or not the risks associated with the Services are acceptable to you.

14.4 Except where we expressly agree otherwise on a case-by-case basis in writing in relation to any specific Transaction, in providing the Services we shall not provide you with investment advice as regards your financial position generally and we do not provide Personal Recommendations. When providing Services other than investment advice, it is not possible for us to assess whether a particular product, Transaction or Service is suitable for you. You agree and acknowledge that you will make your own independent assessment of the merits, suitability of any Transaction or Service to your particular circumstances and own investment objectives. You will take all decisions in relation to any Transaction or Services in reliance on your own judgement.

14.5 If we introduce you to another provider of investment services or activity, your relationship with that other person will be governed by documentation between you and that person. We will not be a party to that relationship and will not be liable for the actions of any such other person.

14.6 All Services will be provided in compliance with the mandatory provisions of Applicable Law, which will take precedence if there is any conflict or inconsistency between these Terms and the mandatory provisions of Applicable Law.

15 Providing Instructions to Crédit Agricole CIB London

15.1 Instructions may be given orally or in writing, including by electronic means, unless we agree with you that Instructions in relation to a particular Service can be given only in a particular way. We may (but are not obliged to) ask you to confirm oral Instructions in writing or to confirm any Instructions by an authenticated messaging system acceptable to Crédit Agricole CIB London.

- 15.2 We have no responsibility for Instructions that are inaccurate or not received by us or that are otherwise corrupted or incomplete, and may execute any Transaction on the terms actually received by us. You authorise us to act on any Instruction (by whatever means transmitted, whether or not confirmed in writing) which purports, and which we reasonably believe, without further enquiry as to the genuineness, authority or identity of the person giving or purporting to give those Instructions, to come from you or to have been given on your behalf.
- 15.3 We may cancel an Instruction or Transaction, in whole or in part, where requested to do so by a regulator or pursuant to Applicable Law, or where a Transaction has been executed at a clearly erroneous price. Under Applicable Law, Orders which have not been executed by close of business on the relevant market may expire. A Transaction or Instruction is only binding on us when we confirm to you that it has been executed or otherwise successfully implemented. You will be bound by all executions (partial or otherwise) of Orders that we receive from you.
- 15.4 You agree on request by us to confirm any oral Instructions in writing, to ratify and confirm any Instructions given or purported to be given by you by any person purporting to act on your behalf and that electronic signatures made by you are legally binding on you.
- 15.5 Notwithstanding our general willingness to perform the Services, we are not under any obligation to accept, act on, confirm or verify any Instruction provided that where we decline to act on an Instruction, we will use reasonable endeavours to notify you, without any obligation to provide reasons.
- 15.6 Subject to clause 2 (*Relationship with Client Documents*), in circumstances where we hold Financial Instruments on your behalf, we will not be obliged to take up or dispose of any rights, exercise any conversion, subscription or redemption rights, deal with take-overs or other offers or capital reorganisations or exercise any voting rights except where you give us written and timely Instructions to do so to the extent permitted by Applicable Law.
- 15.7 You acknowledge that data transmitted through any electronic system (including emails, instant messaging and Platforms) may not be encrypted and that it is possible, even if encrypted, that such data may be accessed or tampered with by unauthorised parties, may not arrive in the form transmitted or at all, and/or may become corrupted and/or may contain harmful or malicious code or programmes, and you agree to assume all risks arising out of or in connection with your use of the same.

16 Conflicts of interest

- 16.1 When we perform a Service or enter into a Transaction, we may have an interest, relationship or arrangement that is material in relation to that Service or Transaction. Crédit Agricole CIB London operates and complies with Crédit Agricole Group's Conflicts of Interest Policy, and within the framework set out in its own Conflicts of Interest Policy (the "**Policy**"), a summary of which is available on the Website. We provide Services and conduct Transactions in accordance with this Policy.
- 16.2 You authorise us, notwithstanding any conflict of interest or the existence of a material interest on our part in any Service or in relation to any Transaction, to perform the Service or enter into the Transaction without prior reference to you except where we are obliged to do so under the terms of the Global Conflicts Policy. In such cases we will disclose to you the nature, risks and mitigating factors associated with the conflict.

17 Charges and remuneration

- 17.1 You agree to pay us any commissions, charges and fees agreed between you and Crédit Agricole CIB London upon demand and as notified from time to time. You agree also to reimburse us for all applicable costs, commissions, charges, fees, expenses and penalties, including without limitation, brokerage, clearing and settlement charges, and other fees of third parties in connection with the Services or any Transactions with us. You also agree to pay or reimburse us on demand for any Tax imposed by a competent authority in connection with the Services and/or Transactions. We may deduct funds at our discretion from any of your accounts with us to pay such amounts.
- 17.2 You agree that we may receive remuneration and commission as a result of performing the Services and/or in relation to the Transactions and from sharing charges with third parties, and our fees will not be reduced by that remuneration and/or commission.

18 Full disclosure

Crédit Agricole CIB London shall provide you with information regarding costs and charges in accordance with Applicable Law. You agree that Crédit Agricole CIB London may provide you with information on costs and charges on an aggregated basis. However, should you require more information on costs and charges, we will provide you with an itemised breakdown of all applicable costs and charges on a case-by-case basis.

19 Limited disclosure

Where permitted under MIFID, you agree that Crédit Agricole CIB London may provide you with information regarding costs and charges by way of a tariff grid which shows the maximum costs and charges we would apply for the contemplated transaction. You will find our tariff grids and other MIFID costs and charges documentation for this purpose on the Website. However, should you require more information on costs and charges, we will provide you with an itemised breakdown of all applicable cost and charges on a case-by-case basis.

20 Client money

20.1 With respect to Services, any money held by us on your behalf in an account will be held as banker, not as trustee, and will therefore not be subject to the protections conferred by the FCA's Client Money Rules as set out in the Handbook (CASS 7). Such funds will not be segregated from the money of Crédit Agricole CIB London and may be used by it in the course of its business. As a result, if Crédit Agricole CIB London fails, the FCA's Client Money Distribution Rules (CASS 7A) will not apply to these sums and you will not be entitled to share in any distribution. You (or, where applicable, your Principal(s)) will therefore rank only as a general creditor of Crédit Agricole CIB London.

20.2 Where you have made an overpayment of less than £100 to Crédit Agricole CIB London, whether due to accounting reconciliation processes or otherwise, and such overpaid amount remains unclaimed 5 business days after making such overpayment, we may in our sole discretion write-off such overpaid amount.

21 Pre-hedging and programme trades

We may at any time pre-hedge a Transaction and, in relation to Programme Trades, you agree that we are not obliged to inform you whether we act as principal or agent. You agree that to enable us to manage our risk position, we may take positions in Financial Instruments (including executing own account transactions), and you agree that any profits or losses of such positions may be retained by us without any further disclosure to you. You acknowledge that any of these actions may affect the price paid or received by you in relation to a Financial Instrument included in a Programme Trade or any Transaction.

22 Stabilisation

We may effect Transactions that are subject to stabilisation (a price supporting process that may temporarily inflate the market price of a new issue). You agree that we owe you no duties in respect of legitimate stabilisation activities undertaken by us.

23 Limit orders

Where we have agreed to execute a limit order on a share or other security admitted to trading on a regulated market on your behalf, you agree and instruct us that we shall not be obliged to immediately publish that limit order if it cannot be immediately executed under prevailing market conditions. The Client shall expressly instruct the service provider not to immediately make public such Client's limit order if it is not immediately executed.

24 Rights of security and power of sale

Your attention is drawn to the fact that we have the following rights and powers over your Financial Instruments and money held by or for us on your behalf:

- (i) you agree that all your Financial Instruments and money held at any time by or for us shall be and remain a continuing security for the payment when due of all and any amounts owing in accordance with any Service or other matter under the Terms;

- (ii) these rights are without prejudice to any other rights of lien, set-off or combination of accounts we may have;
- (iii) you agree to execute such further documents and take such further action as we may reasonably require in order to enable Crédit Agricole CIB London to exercise its rights, to comply with any Applicable Law or to satisfy any market requirement;
- (iv) you undertake neither to create nor to have outstanding any security interest over, nor to agree to assign or transfer, any of the collateral transferred to us;
- (v) you agree that we may, free of any adverse interest of you or any other person, grant a security interest over the collateral provided by you to cover any of our obligations owed to third parties by virtue of the positions held by us for you; and
- (vi) in addition and without prejudice to any rights which we may be entitled to under the Terms or any Applicable Law, we shall have a general lien on all property held by us on your behalf until your obligations are satisfied.

The rights pursuant to this clause are supplemental to any rights to which we may be entitled pursuant to Applicable Law and pursuant to the Client Documents (unless otherwise expressly provided in the relevant Client Documents).

25 Lien and set-off

- 25.1 With respect to the Services, without prejudice and in addition to any general lien and/or right of set-off or similar right to which we may be entitled by Applicable Law, you hereby expressly grant to us a general lien over all or any part of your interest in any monies, securities or other property held or controlled by us for any purpose and the rights set out below.
- 25.2 We may, without prior notice to you at any time or times without restriction, combine or consolidate all or any accounts held by us in your name or on your behalf and set-off or transfer the whole or any part of the sum standing to the credit of any one or more accounts held by us in your name or on your behalf against or towards satisfaction of any obligations, in respect of any Services or Transactions (including, for the avoidance of doubt, any amount due under clause 35 hereof) or in any other respect whatsoever, regardless of the place of payment, booking branch or currency of those liabilities (including any amount owed by you under the Terms). If the liabilities are in different currencies, we can convert either sum at a market rate of exchange used in our usual course of business for the purpose of any combination, consolidation, set-off or transfer. We may pledge, hypothecate, sell and/or purchase any and all Financial Instruments in your accounts, and transfer money and or any Financial Instrument between accounts whenever we deem necessary, without notice to you, to satisfy this right of set-off.
- 25.3 For the avoidance of doubt, any rights pursuant to this clause shall be without prejudice to any specific arrangements with respect to liens, rights of set-off or similar rights set forth in the relevant Client Documents. Unless otherwise provided for in the Client Documents, the rights pursuant to this clause shall supplement any rights pursuant to the Client Documents.

26 Settlement and confirmations

- 26.1 Where we carry out Transactions with or for you, we will send or arrange to have sent to you confirmations and/or statements of account in accordance with Crédit Agricole CIB London's standard procedures ("**Contract Notes**"). Contract Notes are conclusive in respect of all information set out in them and shall be deemed to have been accepted by you if you do not object to their terms in writing within 24 hours of receipt by you. Contract Notes are, in the absence of manifest error, conclusive evidence of the matters to which they relate.
- 26.2 You will provide us with freely transferable cleared funds immediately available without any deduction (whether in respect of set-off, counter-claim, taxation or otherwise) in the currency of the relevant Contract Note or make good delivery of Financial Instruments or other assets to enable us to settle all deals for your account on the required settlement day. In addition, you will forthwith on demand put us in funds to enable us to discharge or settle any liability incurred or to be incurred in connection with any Services performed for your account. You hereby undertake to inform us when a sell Order is in respect of Financial Instruments where you know that you will not be able to make good delivery. You irrevocably authorise us to buy or borrow Financial Instruments to cover any liability of yours to deliver investments to us. We may debit any of your accounts with any Loss we suffer in this way. You will bear all costs and risks of payment and delivery to us or to our order upon settlement of any Transaction. Similarly, where

we undertake Transactions on your behalf, delivery or payment by the other party to the Transaction is entirely at your risk. Our obligation to deliver Financial Instruments to you or to your account for the proceeds of the disposal of Financial Instruments will be conditional on prior receipt by us of appropriate documents or cleared funds from the other parties to the Transaction.

- 26.3 Our obligation to settle or deliver any Financial Instruments purchased by you is conditional upon receipt by us on or before the due date for settlement (or satisfactory confirmation of such receipt by our settlement agent) of all necessary documents, securities or funds due to be delivered by you or on your behalf on that date.

27 Interest

Unless otherwise provided, we may charge you interest on net debit balances in your accounts at the overnight rate customarily charged by us and on any other amounts due and owing to us. Interest will accrue on a daily basis and will be due and payable by you as a separate debt. Unless otherwise agreed, we will not pay interest to you on any credit balances in your accounts representing cash or liquid securities available for withdrawal without notice.

28 Margin payments

Where we perform Services for you which require margin payments, you must immediately on demand deposit with us a margin payment in at least the amount demanded by us for the Service. You agree immediately on demand to make any payment to remedy a shortfall in the margin payment at any time when your account with us shows a debit balance or your margin requirement increases. Margin payments will be made in cash unless we expressly agree otherwise in writing.

29 Representations and warranties

29.1 On a continuing basis, you represent and warrant that:

- (i) you are duly organised and validly existing and in good standing under the laws of your jurisdiction;
- (ii) you have the power and capacity to enter into and perform your obligations under the Terms and in respect of any Services and/or Transactions, you will obtain, maintain and comply with all authorisations, consents, approvals, resolutions, licences, exemptions, filings, notarisations or registrations necessary to enable you to perform your obligations under the Terms and in respect of any Services and/or Transactions;
- (iii) you are capable of assessing the merits of and understanding (on your own behalf or through independent third party professional advice), and understand and accept, the terms, conditions and risks of any Transaction and/or any Service;
- (iv) except to the extent that we have expressly agreed in writing that you may act as agent on behalf of one or more persons, you are acting for your own account and you have made your own independent decisions to enter into any Transaction and/or receive any Service and as to whether any Transaction/Service is appropriate or proper for you based upon your own judgement and/or upon advice from such advisers as you have deemed necessary, if any;

Additional information

(1) Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank, building society or credit union should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

(2) General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers a maximum of £85,000 per bank, building society or credit union. This means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

In some cases eligible deposits which are categorised as “temporary high balances” are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- (a) certain transactions relating to the depositor’s current or prospective only or main residence or dwelling;
- (b) a death, or the depositor’s marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- (c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained under <http://www.fscs.org.uk>. This link opens in a new window.

(3) Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor.

However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

(4) Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London, EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, Email: ICT@fscs.org.uk. It will repay your eligible deposits (up to £85,000) within 15 working days from 1 January 2019 until 31 December 2020; within 10 working days from 1 January 2021 to 31 December 2023; and within 7 working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating costs (in the case of a depositor which is not an individual or a large company) within 5 working days of a request.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under <http://www.fscs.org.uk>. This link opens in a new window.
