TERMS AND CONDITIONS

GENERAL INFORMATION

This document is the Bank charges leaflet applicable to your main transactions.

It is no way restrictive and it is subject to alteration at any time in accordance with the provisions of the general conditions of the current account agreement and/or the French Monetary and Financial Code.

Amounts are stated in euro.

Effective 1st january 2008 Crédit Agricole Corporate and Investment Bank ("Crédit Agricole CIB" ou "CACIB") has opted out of the VAT system. As a consequence, the prices stated in the document are net.

Those transactions marked out by **an asterisk (*)** are liable to VAT which is then charged in addition to the stated price (VAT at the rate in force on the date of the transaction).

A team of experts supports you in the design, implementation and monitoring of your Cash Management projects. The implementation fees are 850€ per day.

Your Relationship Manager is at your disposal to give you any additional information you may require.

You can ask a hard copy of these Terms and conditions at your Relationship Manager. There's available directly on our website at <https://www.ca-cib.com/our-solutions/international-trade-transaction-banking>.
